- A train carrying about 30 rubber-tired guns of about 50 mm caliber arrived at the Terneuchen (N 53/V 06) railroad station on 3 January 1950. It was learned that the train was to proceed to the airfield.
- It was reported that a tank unit and an AT unit have been stationed at the airfield since 27 December 1949.

25X1A Comment:

The Werneuchen airfield is occupied by Soviet Air Force units. The report is the first to state that Soviet army units are also stationed there.
